

# A 4th of July Celebration for All Ages

There's nothing like 4th of July at The Palace and this year was no exception!

Renaissance & Royale residents & families enjoyed a fun-filled day that will not be forgotten. There was something for everyone as we celebrated our Nation's Birthday "Palace Style." Grandkids and grand-grandkids really had a blast: with face-painting, rock climbing, pony rides, and even a mechanical bull! There was a terrific band who had everyone dancing and the food was amazing.

Happy 4th of July from our family to yours!
