

*The toughest judges in assisted living
voted The Palace best in the nation.*

CARF International, the worldwide independent accreditation organization for assisted living care, has rated the Palace communities as “best in the nation,” and awarded them the coveted three-year accreditation.

This is the “5 star” rating for assisted living, and we are proud that our team earned this for three of our most popular communities:

The Palace Royale

The Palace Renaissance

The Palace Gardens

*Congratulations to Palace executives
Ricardo Martinez, Juanita Baiamonte and Zach Shaham.*
